Press Release

Group Secures Four High Value Contracts Totaling US\$20.5 million

SINGAPORE (28th June 2005) – Singapore Exchange ("SGX") mainboard-listed COSCO Corporation (Singapore) Limited ("COSCO" or the "Company"), a leading shipping and shippard group, is pleased to announce that its 51%-owned subsidiary, COSCO Shippard Group had successfully secured four high value contracts totaling US\$20.5 million from Greek and Middle East oil tanker owners.

Contract	Commencing
Single to Double Bottom Conversion (Oil tanker)	May 2005
Single to Double Hull Conversion (Oil tanker)	June 2005
Single to Double Bottom & Hull Conversion (Oil tanker)	July 2005
Single to Double Bottom & Hull Conversion (oil tanker)	August 2005

These jobs which are well spread out will be carried out at the Group's yards at Nantong, Dalian and Shanghai. Some jobs will be accounted for in the third quarter of FY2005. Building on an established track record in double bottom and hull conversion, Cosco Shipyard Group expects more such high value contracts as single hull tankers are phased out over the next few years in compliance with International Maritime Organisation's (IMO) safety regulations.

Mr. Ji Hai Sheng, President of the Company and Vice Chairman of COSCO Shipyard Group said, "The contracts represent the fulfillment of the Group's strategic expansion into the specialized area of ship conversion and extension of the Group's product offering. It also demonstrates our Group's strong technical capabilities in undertaking high-value international ship repair & conversion projects, and in efficiently meeting the stringent safety and quality standards demanded by international regulators and ship owners."

COSCO Shipyard Group is the largest ship repair group in the People's Republic of China. As the mandatory conversion of single hull tankers to anti-spill double hull gathers momentum and urgency, the Group expects to attract more of such conversion contracts.
